Champions Club Condominium Association
Antenna/Satellite Dish Agreement Form

The Champions Club Condominium Association gives permission for an antenna/satellite dish (circle one) to be placed by the following residents within the guidelines of the FAA regulations and Association policy.

Co-owner name _____

Address _____

Company Providing Service _____

The co-owner agrees to:

1. Complete a maintenance request/modification form prior to installation.
2. Install the equipment on common ground only (no rooftops).
3. Remove the attachment when it is no longer in use.
4. Repair all damage resulting from the installed equipment.
5. Repay all expenses incurred by the Association due to the installed equipment.
6. Remove the device in the event the condo is sold. If the new owners desire to retain the device, they must sign a new agreement.
